INT. APARTMENT HIGH UP IN A BLOCK OF FLATS. NIGHT

A woman named Lisa and a man named Nick are sat on a couch doing drugs. Injecting themselves with heroin and smoking cocaine. On the glass table in front of them a red rose lies and cocaine powder and beer bottles are spread out. Smoke fills the air. Outside bangs of fire works are heard loud and police sirens sound in the background.

NICK

Babe.

LISA

Yeah.

NICK

D'you love me?

LISA

What d'you mean? D'you love me.

NICK

Yeah. Course.

LISA

(Turns to him)

Yeah, I love you.

NICK

But what d'you see in me.

Lisa turns away and smiles to herself.

LISA

I dunno.

MAN

Look at me. What d'you see.

She laughs jokingly and shrugs her shoulder. He gets annoyed.

NICK

Nothing. You don't see nothing.  
Your only with me for what. Money.  
That bit on the side. Drugs, that  
mess you up brainless.

LISA

Shut up Nick, that's not true. I  
need a piss.

Lisa gets up. Nick jumps up and grabs her hard up against the wall by her throat. A mirror breaks behind her.

(CONTINUED)

NICK

Then why the hell are you with me.

LISA

Get off me Nick. Get off, your hurting me.

He can see himself in the broken mirror. Nick releases her. Lisa suddenly slaps him and angrily pushes him over. He trips and falls back onto the glass table, it smashes. He bleeds a bit as he struggles to get up.

LISA

That's what your worth. Oh God. I'm sorry. Nick. You alright baby.

NICK

(Smiles)

yeah. I love you Lisa, you know that. Just So much.

He turns around and punches her, he then throws her across the room. They hit, strangle and scratch while cursing at each other. The room gets smashed and ruined. A lamp is knocked over and the curtain catches on fire. Both of them are soon on the floor hurt. They get up and move towards each other bruised and angry. Suddenly there is a loud knock. They look to the door, then look back into each others eyes. They both stop, rush forward and snog over the broken table where the rose lies in the shattered glass. Another knock is heard at the door. They get each other on the floor and begin to aggressively undress one another. Again a loud knock is heard.

POLICE

Open up.

NICK

What d'you want.

LISA

Bugger off.

POLICE

Police, open the door.

A police dog is heard barking on the other side. The door begins to get bashed in. They both pause and look at each other, then they look at the drugs the window and the door.

LISA AND NICK

Oh shh..
