AMY is standing in a beautiful dress and checking her makeup in the mirror

Her husband CHRIS rushes into the room armed with a bouquet of roses and a heart-shaped box of chocolates

CHRIS  
I forgot, I'm sorry.

She turns to face him

He clumsily sits the flowers and box of chocolates on the bed

CHRIS (CONT'D)  
I'll just grab a shower and change.  
I'll make it up to you.

He heads into the bathroom, returning a moment later

CHRIS (CONT'D)  
You're exquisite.

As he disappears again into the bathroom, she picks up the roses

INT. LIVING ROOM - NIGHT

She is seated on the couch still holding the roses, he enters dressed and ready to go

CHRIS  
The night is ours.

AMY  
He knew I loved lilies.

She puts down the flowers while he joins her on the couch

AMY (CONT'D)  
He knew the story of us by heart.

CHRIS  
You're not making sense.

He moves a strand of hair from her face

AMY  
I see you and I hear you and you  
feel so real ... But my heart's not  
so easily deceived.

CHRIS

Amy, what ...

AMY

My Chris died and I wasn't ready to  
let go of what we had.

He leans in to kiss her, but she turns away

CHRIS

I'm Chris. I just forgot what flower  
you like ...

AMY

A flaw in your programming. They  
got so many other details right.

She touches his face

AMY (CONT'D)

Turn it off.

INT. A ROOM - NIGHT

Amy is seated in a chair, she removes dark glasses from her  
face, a MAN walks over to her

MAN

Are you sure?

AMY

Virtual, yes ... Reality, no. Just  
a beautiful lie I can't live with.

EXT. PARK - DAY
