INT. INSIDE A HOUSE - MORNING

A letter is seen coming through the letter box and falling to the ground. A young woman runs down the stairs and picks up the letter excitedly. She opens the letter to find a valentine's card. She opens the card, the music starts and the card transforms into the following scene.

EXT. A COUNTRYSIDE LANDSCAPE - DAY - SPRINGTIME

There are fields and trees with blossom, flowers and a stream. A young couple are seen running hand in hand and laughing, rolling on the grass and kissing during the following verse.

SINGER

Fresh like the SPRING, beautiful  
thing;  
Sweet as the blossom's aroma;  
Pretty as a flower, precious each  
hour when I lay by your side.

EXT. A SUNNY DAY IN A FIELD OF WHEAT - DAY - SUMMER

The couple is seen running through a field of wheat and then lying together in the field kissing.

SINGER

The SUMMER sun shines in your  
eyes,  
Your hair's like golden harvest  
corn.  
You lift me higher than the  
skies;  
Thank God that you were born.

EXT. A COUNTRY ROAD IN THE RAIN - DAY

The couple are seen enjoying the rain and kissing. The sun starts to shine and a rainbow appears.

SINGER

The seasons come and then  
they go;  
The sun shines through the rain;  
But all my life one thing I know;  
Our love remains the same.

EXT. A FOREST - DAY - AUTUMN

The couple walk in a forest where you can see the Autumn leaves and they walk arm in arm on a windy day.

(CONTINUED)

SINGER

Like AUTUMN leaves, beautiful  
sight;  
Your beauty far exceeds them all;  
On windy days I'll hold you  
tight;  
Protect you lest you fall.

EXT. A SNOW LANDSCAPE - DAY - WINTER

We see the couple having a snowball fight. The man pretends to be hurt but then grabs the girl and kisses her.

SINGER

Like WINTER snow, pure and white;  
Fairer than the sky at dawn.

INT. A LIVING ROOM - NIGHT - WINTER

The couple are sitting on a sofa in front of an open fire embracing and kissing.

SINGER

And through each cold and darkest  
night  
Our love will keep us warm.  
  
The seasons come and then they  
go;  
The sun shines through the rain;  
But all my life one thing I know;  
Our love remains the same.  
But all my life one thing I know;  
Our love remains the same.

FINISH BY ZOOMING IN TO THE KISS
