EXT. STREET OUTSIDE WAREHOUSE - NIGHT

Dipuc reveals his demonic face, he has a sinister smile and looks back at the building, he pulls a horn from his hooded jacket and plays a tune.

V.O

Dipuc

If a heart is tainted.

Or a soul is broken.

I appear.

If it is full of hate.

And Craving retribution.

This is my food.

I am the Creator of chaos.

The devil of desire.

I am Dipuc.

INT. WAREHOUSE

Aimee is in tears as she runs out of the warehouse.

EXT. STREET OUTSIDE WAREHOUSE - NIGHT

Dipuc tries to stop Aimee, but she runs past him. He then walks after her. She notices someone is following her. As Aimee runs, Dipuc runs after her, he follows her down the street as she turns into a side street and through an open door of a building.

INT. BUILDING

Aimee shuts the door, and stands there shaking with fear. Dipuc tries to open the door.

Dipuc  
You can't hide,  
I can taste your fear  
and hate.

Dipuc busts the door open and enters the room. Aimee sobs as he begins to circle her, she notices something gold sticking out of his shoulder. He moves in closer and caresses her face. He looks into her eyes and gives off a primal roar.

Dipuc  
Let the hate grow,  
I need to feed  
before the night ends.

Dipuc pulls her close and gives her a kiss, Aimee struggles but then gives in to him. She wraps her arms around him, she pulls out whatever is stuck in Dipuc's shoulder. In her hand is a broken arrow, with a heart shaped head.

Dipuc pushes Aimee away, he goes to attack her but falls to the floor writhing in pain. Aimee steps away as Dipuc starts to glow.

Dipuc morphs from a demon into a blond haired handsome young man. Still glowing he reaches for Aimee.

Aimee looks at the broken arrow in her hand, then looks back up at Dipuc, the light emanating from him now resembles a set of wings.

Dipuc embraces her and kisses her once more.
