FADE IN:

INT. DANCE FLOOR IN A CLUB - NIGHT

Camera shows people DANCING in a club. It is crowded, we can HEAR MUSIC and SEE LIGHTS. There is a nice atmosphere, people seem to enjoy themselves. Camera focuses on two GIRLS (GIRL 1 and GIRL 2) on the right side of the dance floor, who are dancing opposite each other and smiling all the time. Girl 1 is on the left, Girl 2 is on the right. They look very happy and they seem to have a nice time. Camera goes over to the other side of the dance floor, a bit further away from the girls and shows a bunch of friends dancing together in a circle. There is a GUY on the left side, who is constantly watching Girl 2, while he is dancing with his friends. Camera shows the guy and his friends and the girls at the same time. Girl 2 realises that the guy is staring at her, and she smiles at him, but then she looks away, back to Girl 1. She feels the guy's eyes on her, so she occasionally looks at the guy and smiles. She steps a little closer to Girl 1 and whispers something into her ears, while she is looking at the guy. Then she steps back and they carry on dancing. Suddenly the guy starts walking towards Girl 2. As he is right next to her, he grabs her hand and gently pulls her away from Girl 1. Girl 2 is surprised and confused, but she is following the guy. She looks back at Girl 1, asking her with her eyes and face expression if it's OK to leave her alone. Girl 1 just nods, and straight away joins a group of other people and carries on dancing. Camera now focuses on the Guy and Girl 1. They are dancing very close to each other, they are smiling all the time. They seem to have a connection, a sparkle between them and they enjoy themselves a lot. It's a very intimate scene. They keep touching each other, but only on their hands, hips, shoulders. Sometimes they talk to each other, but we CANNOT HEAR what they are talking about, as the MUSIC is LOUD. They are reading each other's mouths. Suddenly the guy grabs Girl 1's hand again, and pulls her out of the dance floor. Once they leave the crowd, they are walking up the stairs, where the MUSIC is QUIET, so we CAN HEAR, what they say. Girl 1 follows the Guy. She is behind him the whole time. The guy is holding her hand, while they are walking up.

INT. STAIRS

GIRL 1

I'm Sarah, by the way.

Guy doesn't say anything. No reaction. Girl 1 doesn't seem to understand and her face reflects a kind of disappointment.

GIRL 1 (CONT'D)  
 What's your name?

Guy doesn't answer. Girl 1 gets annoyed and grabs the Guy's shoulder and turns him around, so that they face each other.

GIRL 1 (CONT'D)  
 Hey, I'm talking to you. Why don't you answer?

Guy is facing Girl 1 and watching her mouth, while she is speaking.

GUY  
 (speaking without any voice, just by moving his mouth)  
 Sorry, what did you ask?

Girl 1 is speechless, she doesn't understand the situation. Guy looks down to the floor, then looks at Girl 1 again.

GUY (CONT'D)  
 (speaking without any voice, just by moving his mouth)  
 I'm deaf-mute.

Girl 1 looks surprised. She looks into the direction of the dance floor, she even points there with her hand, then she points back to the place, where they are standing and we can SEE on her face that she is trying to put the picture together. Then her face becomes very calm and nice, but she remains serious. She makes a little step towards the Guy, slowly puts her arms around his neck and softly kisses him.

FADE OUT.
