EXT. CLIFF TOP - DAY

Lucy, 15, stands wailing on a cliff top overlooking a valley.

LUCY  
(sobbing)  
I can... not... believe... this  
is... happening to me... on  
Valentines day!

She collapses into tears once more.

Casper, 16, stands looking at her, chewing gum - blank look on his face.

CASPER  
(nonchalantly)  
We both knew it was coming Lucy.

Lucy looks up at him through her wet eyes.

LUCY  
You don't even care!

Casper looks off into the distance.

He feels Lucy glaring at him and he turns back to face her.

CASPER  
Sorry... what?

LUCY  
(wistfully)  
I pictured a future with you  
Casper. I'd imagined you would be  
my first. I wanted you to have...  
you know... my virginity.

Casper frowns.

CASPER  
You fucked Johnny Hopkins last  
year! It was on Alison's front lawn  
after her party! Dave turned the  
porch lights on! Everyone saw!

LUCY  
Yeah, but... I wanted it to be you.

CASPER  
Well I guess it doesn't really  
matter now anyway. Still... we had  
some good times.

(CONTINUED)

Lucy's head drops.

LUCY  
I can't believe its all over.

Something catches her eye and she looks up.

Casper is texting on his phone.

LUCY  
(angrily)  
You're fucking texting now!? Who is  
the slut?

Casper holds his hands up asking for understanding.

CASPER  
It's my mum!

Lucy starts crying again.

Casper smiles. He takes Lucy's hand and places it on his crotch.

CASPER  
It's not too late...

Lucy pulls her hand away but cracks a smile for the first time.

He leans forward and kisses her. She kisses him back.

Far off in the distance an asteroid falls from the sky.

Casper and Lucy turn and look out over the valley.

Many asteroids start to fall.

CASPER  
I like you Lucy.

LUCY  
I like you to Casper.

Asteroids start to destroy the earth. They hold hands and watch the end of the world.
