INT. BEN'S APARTMENT, LIVING ROOM - MORNING

BEN (24) is sitting before a desk. The light from outside is bouncing off of his white shirt and illuminating his face and brown eyes. He is writing something in a journal.

BEN (V.O)

I am feeling lost and lonely without you. I think about what it could be like if you were here with me now... girl I have not yet met.

(looks at the light coming in through the curtains and sighs)

INT. NANCY'S AARTMENT, KITCHEN - MORNING

NANCY (21) walks into the kitchen. She is wearing a green sweater and blue jeans. She hurries to fetch her journal and pen in a drawer. She sits down before the kitchen table and begins to pen down her thoughts.

NANCY (V.O)

I will give myself entirely to you and be yours. I have kept myself virgin because of our promise. I will never hurt you because we share the same soul... boy I have not yet met.

EXT. PARK - MIDNOON

Ben sits down against a tree. The green lawn reflects well against his dark blue jeans. In his hands is the journal and pen. He opens it and starts writing.

BEN (V.O)

How did you ever come into my mind? You are something I've never seen before. I cannot figure out this beauty, this attraction. It is a complex but beautiful equation.

(looks up at the blue sky and smiles)

EXT. FLOWER GARDEN - MIDNOON

Nancy is walking between flowers and observing their beauty. She is hugging her journal, and she is thinking.

NANCY (V.O)

Every time I think about you I feel love. It is so immense. My heart is going to explode keeping it.

EXT. PARK - MIDNOON (CONT'D)

BEN (V.O)

I want us to meet because I'm in love with you.

Cut back to the flower garden. It is now late noon. Nancy walks up to an empty bench and sits. She looks to the right beside her and Ben appears like a ghost and he comes to sit with her.

NANCY

Just hold on to the hope that we'll meet soon one of these days.

EXT. PARK - SUNSET

The sun is setting. Ben looks to the left beside him and Nancy appears like a ghost and comes to sit with him so she could look in his eyes.

BEN

Come Home. Come home to a world that you and I alone understand.

NANCY

There's so much I want to say to you... so much I want to share.

Ben gently holds the frame of her face with his palms so he could look at her beauty.

BEN

I will love you no matter where you are.

Then he leans in to her and tastes her lips, sealing their love with a kiss. Then she slowly dissolves into thin air. She was never really there.

Cut back to the flower garden. Nancy is sitting alone on the bench. She holds her lips with her right hand. Tears come to her eyes. The sun sets as she whispers to herself.

NANCY

Where are you, boy I want to meet?
