FADE IN:

INT. SHOPPING MALL - DAY

Three COUPLES stand on white squares in lip-locked embraces. A crowd of ONLOOKERS and PAPARAZZI have gathered. A large digital clock on the wall passes the fifty hour, twenty-three minute mark. Next to the clock appears "Guinness Book of Records Valentine's Day Challenge - World's Longest Continuous Kiss".

Focus on COUPLE #1, VICTOR (30s) and SUYIN (30s). She has her hands tightly locked around the back of Victor's neck, tears well in her red eyes which dart frantically around the room. Victor stands stoic, a pained expression on his face.

VICTOR (V.O)

Ow! Ow! Ow! Jesus! I can't do this! She's killing me! Her lips are like razor blades! Ow! I don't care about the money anymore! I want out! Oh God! What day is it!? How much longer!? Somebody please help me! It hurts! Oh God...it hurts!

SUYIN (V.O.)

One million dollars. One million dollars. One million dollars! I gotta pee. One million dollars! Oh God! What's that smell!? Oh God! One million dollars! I got this! Man up Victor! I got this! One million dollars!

Focus on COUPLE #2, a rotund pair. HARVEY (50s) sweats profusely as he struggles to drink through a straw without breaking lip contact with his partner, MAE (50s). He periodically grunts unintelligibly.

MAE (V.O)

C'mon Harvey! Drink! Don't ruin this for me! My chance at the big time, a world record, my piece of the pie! And they said I wouldn't never make it out of Tallapoosa. I need this! Dammit Harvey! Oh Lord! He's sweating like a stuck pig.

HARVEY (V.O.)

Water. Water. Goddamn straw! I need water! So hot. Is the air on in here? How much longer? I feel dizzy, oh no, Mae, this ain't goo..
