FADE IN:

EXT/INT RESTAURANT EVENING :

We see the exterior of a good quality restaurant. We move into the interior. The initial shot of the room closes in on a young couple sat at a table for two. They sit opposite each other, staring into each others eyes. Very relaxed together. They are very flirty with each other.

MALE

So, what do you want to do now?

FEMALE

(giggling)

I would like to finish my meal,
what do you want to do?

MALE

(suggestively and
smiling)

Anything you like, I love eating,
you know that

FEMALE

Don't start that filthy talk here,
you dirtbag!

MALE

What are you having for pudding?
Spotted Dick?!

FEMALE

What have you been doing with it to
get that?

MALE

Mucking about with you, that's how.
(beat)
Shall we go? Seeing as we have the
house to ourselves?

FEMALE

Sure, its not that often they go
out for the night and they should
have gone by now.

The male calls for the bill.

FEMALE (CONT'D)

(looking concerned about
something)

Doesn't it bother you sometimes?

MALE

Never, fuck 'em that's what I say

More silence. The waiter arrives and the male pays the bill.

EXT OUTSIDE RESTAURANT MOMENTS LATER :

The couple come out of the restaurant, putting their coats on. We track them walking down the road, the female puts her arm though that of the male and they walk down the road. Unexpectedly, the male drags the female into a doorway and they kiss long an hard. The female pulls away and looks disapprovingly and looks around to see if anyone saw. They continue on their way and round a corner.

EXT. AN ORDINARY HOUSE - EVENING

The couple are walking up the path giggling and playful, the female goes in first.

INT. FRONT ROOM OF HOUSE - MOMENTS LATER

We see the front room. The TV is on, a couple, old enough to be parents are sitting in the armchairs watching the TV. The door to the room opens and the female enters the room looking surprised

FEMALE

(surprised and
embarrassed)

What are you doing here? We thought
you two were going away?

MUM

We were, but I wasn't in the mood
in the end so I said to your father
let's not bother.

Dad nods in resigned agreement

MUM (CONT'D)

I thought I heard your brother come
in. What have you two been up to
together?

FEMALE

Oh, nothing much, just a bite to
eat, neither of us were going out
tonight, no point, its Valentines
night.

FADE OUT.
