EXT. STREET - A CROSS WALK - NIGHT

A WOMAN is standing at a crossing point. She begins to walk. A CAR appears, bearing down on her. It's going to be messy. Out of the shadows, a MASKED HERO, pulls her out of the way. The CAR speeds on by like nothing happened.

WOMAN

The Masked Hero! I can't thank you enough. I'm Kelly. Have you eaten?

The Woman walks away. The Masked Hero checks his breath.

INT. HOUSE - DINING ROOM - LATER

KELLY, and the MASKED HERO are all sat around a table. The table is set for romance. A two person romance. ADAM is on the table covered in strategically placed sushi. (Like Nyotaimori). The Masked Hero eyes Adam suspiciously.

MASKED HERO

Well, this is super awkward.

ADAM

Hello, Masked Hero.

KELLY

Do you two know each other?

MASKED HERO

Captain Chaos here, and I crossed paths many times.

ADAM

I kept telling you, it was just Captain Chaso.

MASKED HERO

I retired him.

ADAM

You harassed me into seclusion more like. What about my rights?

MASKED HERO

You gave up those rights when you hijacked the ship of nuclear weapons.

ADAM

I was just a boat pilot. It was my job just to dock them. I loved that

ADAM (cont'd)  
job. It was all I ever wanted to do  
since I was a little boy.

MASKED HERO  
That time you kidnapped a car load  
of children.

ADAM  
Taking my daughter and her friends  
bowling for her birthday.

MASKED HERO  
The time you buried that toxic  
powder intent of infecting the  
water supply.

ADAM  
Those were my mother's ashes. In a  
garden of remembrance. By a River.

MASKED HERO  
You even admit to stealing other  
people's property. Not everyone can  
be a super hero, Kelly. It takes a  
certain mindset to protect the  
common man from this sort of evil.

ADAM  
Maybe I should just become a super  
villain like you seem to think I  
am.

Kelly pats Adam's hand. Adam kisses her. Adam gets up as  
sushi falls to the floor and Adam exits.

KELLY  
This was a mistake. I think that  
maybe you should leave before  
someone gets hurt.

There's a FLASH OF LIGHT from the KITCHEN.

INT. HOUSE - KITCHEN - CONTINUOUS

ADAM is lying on the floor, holding his crotch. The Door to  
the microwave is open. There is a fork in the microwave.

MASKED HERO  
Congratulations, Captain Sterile.  
Chalk this up to another victory  
over evil for: The Masked Hero!
